October Meeting: Researching Your Civil War Ancestor

By Lorel Kapke, October 2005

Annette Hulse from Los Altos will be presenting "Researching Your Civil War Ancestor." Using both common and uncommon sources, Annette Hulse will show you how to find if, how, and where your ancestor was involved in the Civil War.

Annette is a graduate of MIT and Stanford, and is a Silicon Valley consultant and a part-time professional genealogist. She has been interested in family history since childhood, and enjoys applying her high-tech research skills to genealogical problems. Ms. Hulse is a member of the Association of Professional Genealogists, and on the Corporation Council of the New England Historic Genealogical Society.

Coming Events

Several members have expressed an interest in having a program discussing how to get started in genealogical research in other countries. The best way to do this would be a panel of experts in various countries. In order to put together a panel, I need to know in which countries people are interested. Please send an e-mail message to Audrey at audreyrae@comcast.net listing the countries you would like to have represented, and I will try to put something together for a future meeting.

October 22, 2005: The Genealogical Society of Stanislaus County will present a seminar featuring Hank Jones. See GSSC web page at <http://www.cagenweb.com/lr/stanislaus/gssc.html>
